

PRODUCT PARAMETERS

**2 fans
protect motor**

**Display voltage
more safe**

**waterproof
handle**

manganese hook

clutch

copper wire motor

high-power fan

anti-rotation wire rope

PRODUCT DETAILS

Pure copper motor
copper wire cool
down fast long life

Brake: Can be achieve
goods lift and fall fast.

Fans: Fans design, Motor
can be heat fast

Wire rope:
Winding strong, bear
heavy, not easy to break

Aluminum case gearbox
cool down fast oil tight
precision gear low noise
long life
